Leidos

Leidos is a Fortune 500® information technology, engineering, and science solutions and services leader. In the UK, Leidos has more than 1,200 employees servicing clients such as the Home Office, Scottish Government and other government departments.

In Scotland we are one of the largest technology companies with more than 300 employees providing innovative technologies, advanced solutions, and world-class services to customers in devolved and central government. We invest in our Scottish based workforce to ensure we have the necessary skills to partners with our clients' needs. We work in partnership with Glasgow, Strathclyde and Napier universities on their Graduate Apprenticeship schemes focusing on software engineering, business management and cyber security.

Project Management Institute

Project Management Institute is the world's leading not-for-profit professional membership association for the project, programme and portfolio management profession. Founded in 1969, PMI delivers value for more than 2.9 million professionals working in nearly every country in the world through global advocacy, collaboration, education and research. PMI advances careers, improves organisational success and further matures the profession of project management through its globally recognised standards, certifications, resources, tools, academic research, publications, professional development courses, and networking opportunities.

Caledonian MacBrayne

Caledonian MacBrayne
Hebridean & Clyde Ferries

Caledonian MacBrayne successfully operates the UK's largest ferry network providing lifeline services to some of Europe's most remote and economically fragile areas. But it is always determined to do more. It is an integral part of communities the length and breadth of its 200-mile long network as a major employer, business and tourism enabler, buyer of local goods and services, and supporter of events and social initiatives. A tangible and sincere commitment not only to the here and now, but investing to make a future difference to the people it serves, as well as the whole of Scotland.

Improvement Service

The Improvement Service (IS) is the national improvement organisation for local government in Scotland. Our purpose is to help councils and their partners to improve the health, quality of life and opportunities of all people in Scotland through community leadership, strong local governance and the delivery of high quality, efficient local services.

SCVO

The Scottish Council for Voluntary Organisations (SCVO) is the national body for Scotland's charities, voluntary organisations and social enterprises. We have 1400 members who range from individuals and grassroots groups, to Scotland-wide organisations and intermediary bodies. SCVO delivers services which help organisations across the country continue to do what they do best. Goodmoves is the recruitment advertising and careers hub for the third sector in Scotland and offers a comprehensive recruitment advertising service.
